AAHOA Statement on Prime Minister Modi Address to Congress

WASHINGTON, D.C. – Asian American Hotel Owners Association Chairman Bharat “Bruce” Patel and President and CEO Chip Rogers released the following joint statement regarding Indian Prime Minister Narendra Modi’s address to a joint meeting of Congress:

“Prime Minister Modi holds a special place in the hearts of AAHOA’s more than 15,000 members, the majority of which are Indian Americans and many who can trace their family back to Prime Minister Modi’s home state of Gujarat. We are thrilled that Prime Minister Modi and our lawmakers are forging closer ties and we feel it will only have positive benefits for both countries. We were honored also to have the opportunity to be in the audience to hear directly from the Prime Minister. We extend our grateful thanks for Speaker Ryan and the Congress for inviting Prime Minister Modi.”

Founded in 1989, AAHOA (www.aahoa.com) is the largest hotel owners association in the world, with more than 15,000 small business owner-members. AAHOA members own almost one in every two hotels in the United States.
