By submitting this application, I authorize AAHOA to take and use my photographs and to share my name and contact information with AAHOA's active Club Blue, Platinum, Silver, and Allied Members. Note compliance with the Tax Reform Act of 1993 requires that the portion of dues attributable to lobbying and political activities is considered nondeductible for income tax purposes. This nondeductible portion must be disclosed to members on their dues invoice each year. For the current membership year, AAHOA is, in good faith, estimating that 20% of your dues will constitute non-deductible lobbying expenses.
