## **AAHOA Congratulates Rep. Greg Walden on Chairing Energy and Commerce Committee**

WASHINGTON, D.C. – Asian American Hotel Owners Association president and CEO Chip Rogers congratulated Rep. Greg Walden (R, Ore.) today on being named the next chair of the House Committee on Energy and Commerce.

“Congratulations to Rep. Greg Walden on being named the next chair of the critically important Energy and Commerce Committee,” said Rogers. “Rep. Walden has long been a friend of AAHOA’s because he has earnestly advocated for freedom-focused policies rather than government-centric ideas. As Congress looks to replace the failing Affordable Care Act, we know Rep. Walden will approach the issue with the same careful resolve and seek to craft a responsible law that will reform health care with the people’s best interest in mind.”

*Founded in 1989, AAHOA ([www.aahoa.com](http://www.aahoa.com)) is the largest hotel owners association in the world, with more than 15,000 small business owner-members. AAHOA members own almost one in every two hotels in the United States.*
