AAHOA Statement on the October Jobs Report

WASHINGTON, D.C. – Asian American Hotel Owners Association president and CEO Chip Rogers released the following statement on the October jobs report showing minor growth in the hospitality industry:

“The hospitality industry added 10,000 job in October, which is a far cry from the 53,000 added a year ago. As we head to the polls on Tuesday, I urge everyone to consider the plans that all of the candidates—from president to Congress to state-level races—have for helping small businesses thrive and create jobs.”

Founded in 1989, AAHOA (www.aahoa.com) is the largest hotel owners association in the world, with more than 16,000 small business owner-members. AAHOA members own almost one in every two hotels in the United States.
