AAHOA Statement on the Senate Election Results

WASHINGTON, D.C. – Asian American Hotel Owners Association president and CEO Chip Rogers released the following statement on the reelection of a Republican majority in the U.S. Senate:

“On behalf of AAHOA’s more than 16,000 members, we congratulate all of the candidates who won election to the U.S. Senate tonight. A special congratulations to Majority Leader Mitch McConnell for his hard work and dedication to his colleagues.

“The 115th Congress will have a lot of problems to solve for the American people. The Senate has historically been the chamber focused more on consensus than on bitter partisan divides, and we hope that the Senators take that history to heart as they begin their new terms in January. Our members, and I believe most of the American people, want a government that works to help them succeed. As the largest association of hotel owners in the world, our small business owner members want to be able to thrive and create jobs in their community. We hope the Senate will focus on that mission especially in 2017.

“We also want to say a word of congratulations to the many candidates who weren’t victorious tonight. The races were hard-fought on both sides. Best wishes in your future endeavors.”

Founded in 1989, AAHOA (www.aahoa.com) is the largest hotel owners association in the world, with more than 16,000 small business owner-members. AAHOA members own almost one in every two hotels in the United States.
