AAHOA Applauds Nomination of Dr. Price to Lead Health Department

WASHINGTON, D.C. – Rep. Tom Price, who is also an orthopedic surgeon, was named by President-elect Donald J. Trump to lead the U.S. Department of Health and Human Services. Asian American Hotel Owners Association president and CEO Chip Rogers congratulated Price, whose current House district covers association’s headquarters near Atlanta, Georgia.

“We applaud President-elect Trump’s nomination of Dr. Tom Price to lead the Department of Health and Human Services—the agency in charge of implementing any future health reform,” said Rogers. “Dr. Price has proven himself to be a thoughtful and detailed Congressman with core convictions that guide his decisions. He has been a leader on crafting a replacement for the Affordable Care Act, and in his new position he’ll have a chance to lead the implementation. President-elect Trump could not have chosen a better individual to lead HHS during this critical time.”

Price is a Republican representing the 6th District of Georgia.

Founded in 1989, AAHOA (www.aahoa.com) is the largest hotel owners association in the world, with more than 16,000 small business owner-members. AAHOA members own almost one in every two hotels in the United States.
